## Format of events...

Thrive Networking's sector specific clubs meet monthly. The event will include talks from 2-3 VIP speakers, an individual "Magic Minute" introduction to the room, Q & A and a full delegates list for post event follow ups.

## Other events...

Thrive Networking run a quarterly Development Seminar. These are workshop style training events and will allow attendees to meet and network with members of other sector specific clubs. The events run from 9am to 11am at a city centre venue and cover topics such as networking, sales and international ecommerce.

The **Director's Dinner** is Scotland's most exclusive business event, bringing together top directors for an evening of fine dining and top tier networking. This event is held twice in the year.

**BIOS** is Scotland's Import/Export Conference, it is aimed at exploring, educating and championing Scottish businesses on an international scale.
